

October News

Congrats to ALL

We made it through September!
Good job children and Moms.

October is Fire Prevention month. Both classes will have the fire trucks from Independence Township come visit.* It is a special treat and we thank them for coming. We will also have our first fire drills.

There will be no classes on October 8 but there will be childcare. Please sign your child up if he or she will be in school that day.

Halloween would not be complete without parties and a parade!!!* This year we will be going to Warren Haven Nursing Home* again - a treat for both the residents and our children. The parade is open to both classes and all siblings and parents are welcome. The children should come in costume and carry a bag or something to collect the goodies from the residents. We will only be able to bus our Childcare students. All other students should meet us at Warren Haven at 10:00am. (directions will be available) There will be no Pre-K class that day.

We will need a few volunteers for our Halloween parties*. Also, we ask that the parents supply some 'goodies' for the parties. Please see the sign up sheets on by the front door soon. We will parade around the playground at 11:40 both days. (weather permitting.) All are welcome. Children should come to school in costume on their party days.

REMEMBER: NO PEANUT PRODUCTS!!!!

Pre-k and Preschool News

Our Pre-k class is getting use to rotating and working in between play times. They have been very busy and they are proud of their accomplishments. Good Job!!

Miss Jamie has done a great job of turning preschool tears and fears into smiles. With the help of Miss Kelly and Miss Lisa and our new teacher, Miss Jenna, our 2 and 3 year olds are smiling and learning how to spend fun time away from Mom. What a great class!

Before and After School

Even our older children are getting into the routine of school. They are working hard at homework and are getting it done so they can play in the play yard before they go home. Keep up the good work!

REMINDERS

- Please do not park in front of the driveway leading to the back of school. That must be accessible at all times.
- Check mailboxes each day and the daily board.
- No toys should be brought to school!!!!
- Please do not let your children do the door code or play with the handle.

*Keep the calendar handy for dates and times.

F.Y.I.

On November 1, 2007
Slayton Studios will be
here for class pictures and
individual school pictures.
More info to follow!!
